Utah Chapter

Our Mission: Provide our members opportunities for career development and networking with peers. Advance and promote the profession by creating awareness of the skills and abilities of IT audit and security Professionals.

President's Message

Hello Utah ISACA members. Now that we are into the second month of the year, most of us have probably already forgotten our new year's resolutions. Whether or not this is the case, make a new resolution to come out to the chapter meetings. I look forward to seeing you at our next luncheon.

We will be holding our regular monthly luncheon at the Lion House on Thursday, February 19th. Richard Swart, PhD, will be speaking on "Lessons about Security from Small Businesses." Richard is the operations VP of a start-up company in Lehi, which focuses on web hosting, search engine optimization, and web site design. We look forward to hearing from him.

See you then,

Mark Murdock

Monthly Training Registration

The cutoff time period to sign up for the professional lunch meeting is the Tuesday before the monthly Thursday meeting. If you sign up after noon on Tuesday, you may or may not have a guaranteed seat. Since the rooms at the Lion House are small we have to give them a hard count by Tuesday at noon to reserve a room. Thanks

Earning CPE

ISACA e-Symposium

If you are in need of CPE credits, an easy way to earn them is by participating in an ISACA e-Symposium. These are free online web casts and you can earn 3 CPE credits. For further details, go to: www.isaca.org/webcasts

I found out from ISACA that there is no limit to the number of e-Symposiums or on-line quizzes that you can take to help fulfill your CPE requirements. If you have any questions concerning CPE credits please email the following: certification@isaca.org and they will answer your questions.

Suggestions Monthly Speakers

If you have a topic you would like to hear in one of our monthly meetings or if you know of a good speaker please email Julie Park: JPark@wsu.edu
